WHAT OUR BRIDES AND GROOMS SAY...

EXCLUSIVITY – BEAUTIFUL FOOD – CARING WEDDING PLANNERS

The food was truly outstanding

We just wanted to send a huge thank you for helping create such a perfect day for us both. The food was truly outstanding in terms of creativity, presentation and of course taste, and all our guests agreed. The service was impeccable, both smooth and timely. Jenny was present throughout the whole evening to ensure everything ran to plan, it was reassuring to know that someone who had been there every step of our wedding journey was around to help make our vision come to life and iron out any problems on the day. On the whole, my wife and I agreed that there's not a single thing we would suggest BMA House could have done better for our wedding.

Richard & Sarah, married November 2016

Booking our wedding at BMA House was the best decision we made

On the day, everything was absolutely perfect and we received lots of comments about the venue from our guests. Rebecca and Sarah were always polite, courteous and willing to consider our particular needs. We had the most amazing day of our lives!

Laura & Roland, married July 2015

The day was magnificent and your calm and quiet support really helped

Hannah, we've appreciated your great support and advice throughout this process. The day was magnificent and your calm and quiet support really helped.

Jonathan, a huge thank you as well to you, to chef, and to your team. Everyone commented on the high quality of the food, and the service and support was friendly, professional and simply spot-on. We think it is a fantastic venue – a real hidden gem in central London, and the fact that we had the whole place to ourselves really made the day (that and the sunshine!). A huge thank you from us both.

Katherine & Rick, married August 2017

Overall cannot fault their service!

From the very start of our engagement with Rebecca and her team at BMA House they showed a huge amount of professionalism and flexibility. Their help was invaluable in ensuring that the day went how we hoped it would and we will always be extremely grateful. What we wanted was quite different from other weddings there but they made every effort to accommodate all our requests and work with us to allow us to have the day we really wanted.

Anna & Barry, married August 2016

BMA House did an absolutely amazing job

The venue was perfect, all the rooms were fabulous, the food was sensational, it was just all perfect. Rebecca, BMA House's wedding coordinator was brilliant, both in organising, and running everything on the day. Whenever we meet up with our friends, they keep commenting on the fact our wedding was so nice, and so much fun, and that is in no small part down to BMA House and Rebecca.

Stephanie & Ed, married June 2015
